

# Reports Measure Progress

With the click of a button, our software generates reports featuring key data on student participation and progress. At the end of your 9-week cycle, we generate easy-to-read Field Data measuring Reading Level Improvements for each student. These reports allow progress to be easily communicated to parents, teachers, administrators, district leaders and funders. View a sample report below:

The screenshot shows a PDF report titled "Tune In™ To Reading" generated in Adobe Reader 7.0. The report includes the following details:

- Report Name:** Reading Level Progress
- Run Date:** 04.24.2007
- Run Time:** 12:13PM
- School Name:** ELP
- Teacher Name:** Mrs. Erika R. Stigleman
- Class:** Ladybugs
- Start Date:** 03.17.2007
- End Date:** 04.24.2007

The report contains a table of student progress data:

Last Name	First Name	Middle Initial	Test Date	Test Level	Test Result	Test Score
Charron	Ted	Z	04.06.2007	Grade 2	Independent	84
			04.06.2007	Grade 3	Independent	91
			04.06.2007	Grade 4	Frustration	48
			04.12.2007	Grade 3	Independent	88
			04.12.2007	Grade 4	Independent	80
			04.12.2007	Grade 5	Frustration	44
<b>Progress: 1.10</b>						
Perez	Chris	J	04.06.2007	Grade 2	Independent	88
			04.06.2007	Grade 3	Frustration	39
			04.12.2007	Grade 2	Independent	96
